Dear Valued Community Member:

The Waycross Service League is sponsoring Tour de Swamp, a charity bike ride that will take place on Saturday, May 4, 2013, at Trembling Earth Sports Complex in Waycross, Georgia. We are hoping that you will help us make this community-wide event a great success by being one of our sponsors. Cyclists who participate will have four different ride options from which to choose: a 16-mile route, a 35-mile route, a 63-mile route, and a 100-mile route. Cyclists will be provided several rest stops along their routes (all of which will be stocked with energy snacks and drinks), in addition to being provided a healthy lunch afterwards. They will also receive an event t-shirt and a "swag" bag.

All of the proceeds raised from Tour de Swamp will be donated to the Hospice House and the Southeast Cancer Unit, two *local* non-profit organizations dedicated to serving the terminally ill and those who have cancer, respectively. Cancer victims are becoming more and more prevalent in this community, and we are pleased to help raise funds for two worthy organizations so that they can continue helping those in need of their services.

If you are interested in sponsoring Tour de Swamp, please complete the attached sponsor form and make your **check payable to Waycross Service League**. Both the sponsor form and check must be received no later than **April 15, 2013**. It would be my pleasure to arrange a time for your donation to be picked up, along with a photo op. Forms and donations can also be mailed to me at the following address:

The Waycross Service League was founded with the intent of helping local charities in this community, so please consider sponsoring this special event. Registration forms are also available for those who would like to enter the ride, and I have attached a flyer, as well, with this information. We would also appreciate your posting this flyer in your business window for public viewing. If you have any questions, please feel free to call me at 912-286-3105 or Leah McDonald at 229-561-1067.

Warmest regards,
